

Book a snowmobile-cabin!

Book a "Snowmobile cottage" and enjoy the possibility to rent a snowmobile to be delivered directly to your GuMo cottage! (You can also book snowmobiles at the snowmobile rental centre in Tandådalen)

The snowmobiles recommended for families are Touring machines; Polaris 500 and 550.

They are easy to manoeuvre and offers a comfortable ride for two persons, either two adults or one adult and one child. (max.200 kg in total)

- ▶ If the passenger is a child he or she should be seated behind the adult.
- ▶ The child should be tall enough to be able to reach the handles, i.e. approximately 120-125 cm tall, and be at least 8 years old.
- ▶ There are 2 sleds for towing available if someone in the party doesn't want to or is unable to drive a snowmobile. The sleds are suitable for two persons, one adult and one child or 2 children. For questions or booking contact Urban at Skoterevent on mob. +46 703-37 23 70.
- ▶ If two children are travelling in the sled together they should be at least 7 years or older.

Price Touring snowmobile:

Rules and conditions

Listen to the local weather report. Always use a helmet (this applies to passengers as well). Be prepared for the cold, as well as the windshield factor. Dress and equip for a long trip even if you're only planning a short trip, you can get surprised by bad weather. Never ride alone and don't solely rely on modern technology such as GPS and mobile phones. We recommend that you bring a compass. Do not ride in unfamiliar areas unless you are sure the tracks are negotiable, and do not ride on thin or unsafe ice.

Excess liability is as follows:

- ▶ 10 000 SEK for Polaris 500 and 550.
- ▶ 12 500 SEK for Polaris 600.

Is there enough snow?

Visit the Sälen Snowmobile club for up to date reports on the conditions of the tracks (www.salenskoter.se) A refund of the charge is made if the rental is cancelled due to lack of snow.
